## APPLICATION FOR RETIREE STATUS LICENSE

- ❖ Any person currently holding an active license issued by the Rhode Island State Board of Registration for Professional Engineers who has attained the age of sixty-five (65) may renew his or her license as a retirement status license.
- ❖ Retiree status may be requested by individual license holders only.
- ❖ A license issued a retirement status license shall not practice or offer to practice the occupational or trade for which the license was originally issued.

**Instructions:**

1. The license type, number and expiration date must be entered on this application.
2. A copy of your current driver's license or proof that you have attained the age of sixty-five (65) must accompany and be attached to this application.
3. The fee for retirement status is \$20.00 per license. A separate application and fee is required for each license. Checks or money orders should be made payable to "Treasurer, State of Rhode Island". Return this completed application, attached documentation and fee to the above address.

**Applicant Information**

Name:			
Street Address	City	State	Zip Code
Telephone Number	Date of Birth	Email Address	

**License Information**

License Type	License Number	Expiration Date
--------------	----------------	-----------------

**Attestation**

*I understand I am requesting retiree status and accept the restriction on the retirement status license prohibiting the practice of the occupation or trade for which the license was original issued. I certify, under penalty of law that the information provided on this application is the truth to the best of my knowledge.*
