COA AMENDED APPLICATION

Certificate of Authorization (COA)

TITLE 5 Businesses and Professions

CHAPTER 5-8

5-8-24. Sole proprietorship, partnership, limited liability partnership, corporate and limited liability company --

- (a) The practice or offer to practice engineering as defined by this chapter by a sole proprietorship, partnership, limited liability partnership, corporation or limited liability company subsequently referred to as the "firm", through individuals is permitted; provided, that the individuals: (1) are in direct control of such practice; (2) exercise personal supervision of all personnel who act in behalf of the firm in professional and technical matters; and (3) are registered under the provisions of this chapter; and provided, further, that said firm has been issued a certificate of authorization by the board of engineers.
- (b)(1) Within one year after enactment of this chapter every firm must obtain a certificate of authorization from the board and those individuals in direct control of the practice and who exercise direct supervision of all personnel who act in behalf of the firm in professional and technical matters must be registered with the board. The certificate of authorization is issued by the board upon satisfaction of the provisions of this chapter and the payment of a fee not to exceed one hundred fifty dollars (\$150.). This fee shall be waived if the firm consists of only one person who is the person in responsible charge.
- (2) Every firm desiring a certificate of authorization must file with the Board an application for a certificate of authorization on a form to be provided by the Board. A separate form provided by the board is to be filed with each renewal of the certificate of authorization and within thirty (30) days of the time any information previously filed with the Board has changed, is no longer true or valid, or has been revised for any reason. If, in its judgment, the information contained on the application and renewal form is satisfactory and complete, the board will issue a certificate of authorization for the firm to practice engineering in this state.
- (3) No firm that has been granted a certificate of authorization by the board shall be relieved of responsibility for modification or derivation of the certificate, unless the board has issued for the applicant a certificate of authorization or a letter indicating the eligibility of such applicant to receive the certificate. The firm applying shall supply the certificate or letter from the Board with its application for incorporation, organization or registration as a foreign corporation.

Tax Payer Status Affidavit / Identity Verification

All persons applying or renewing any license, registration, permit or other authority (hereinafter called "licensee") to conduct a business or occupation in the state of Rhode Island are required to file all applicable tax returns and pay all taxes owed to the state prior to receiving a license as mandated by state law (RIGL 5-76) except as noted below.

In order to verify that the state is not owed taxes, licensees are required to provide their Social Security Number and Federal Tax Identification Number as appropriate. These numbers will be transmitted to the Division of Taxation to verify tax status prior to the issuance of a license. This declaration must be made prior to the issuance of a license.

Please return this affidavit along with your license application to: Rhode Island Department of Business Regulation, State Board of Registration for professional Engineers, 560 Jefferson Blvd, Suite 100, Warwick, RI 02886.

	Licensee Declaration
	I hereby declare, under penalty of perjury, that I have filed all required state tax returns and
	have paid all taxes owed.
